"HANDS TO WORK, HEART TO GOD"

With Deepest Sympathy

God's Will

*If there was any other way
Your dear one would still be here
To comfort you and care for you
And calm all of your fears.*

*But God has put a will in place
Neither you nor I can change.
He also makes us strong enough
To suffer through hurt and pain.*

*Remember all the times you've shared
And let that comfort you.
Think of what your loved one would
Have wanted you to do.*

*It may seem now the time you had
Was too short to comprehend.
You wonder why it had to be
Such a quick and sudden end.*

*But keep your trust and faith in God
And know that He is near.
Just like your loved-one's spirit
Which you will always hold dear.*

Our thoughts are with you in this time of sadness.

May you find comfort in the enduring beauty of God's
world, and in the warmth of happy memories.

With Our Deepest Sympathy
